**A Chilean Congressman Arrested—**  
The Crew of the Robert and  
Minnie—Possible Outcome.

SAN FRANCISCO, May 12.—Ricardo  
Thunball, a member of the Chilean  
Congress and partisan of the insurgent  
party, was arrested last night by the  
United States Marshal for violation of  
the neutrality laws in connection with  
the shipment of arms and munitions of  
war on the schooner Robert and Minnie  
and on the steamer Itata. His bail was  
fixed at \$15,000 and was furnished, with  
John and Adolph Spreckles as sureties.  
Thunball was arrested on board the  
Oakland ferry boat, and was on his way  
to Washington to confer, it is reported,  
with the Chilean Consul. He was at  
once taken to United States Marshal  
Long's office, in this city, and made ac-  
quainted with the charges against him.  
After his release he stated he had ex-  
pected to be arrested, but had made no  
attempt at concealment.  
"I don't worry about this at all," said  
Thunball. "It is mere formality and means  
nothing."  
"Will you make a fight against the  
charge?" was asked.  
"A vigorous one, depend on that. Still,  
as I say, it amounts to nothing. I have  
been shadowed for several days, and this  
event was deemed a foregone conclusion  
by my friends. I am an attorney myself  
and have studied neutrality laws. There is  
nothing in them by which I can be held.  
The Government of which I have the  
honor to be a high officer respects the  
United States and would break none of  
its laws intentionally. We feel we are  
in the right in what we have done and  
would not do differently if we had it  
to do over again."  
"What have you to say about the ac-  
tion of the Itata?"  
"Nothing. But I might add there is a  
precedent for the action in the case of  
the steamer Scandinavia, which put out  
of the Mexican port. It was a south-bound  
train ran into a low train standing on  
the main track and was completely  
wrecked. A moment later a north-bound  
freight came around a curve and  
dashed into the wreck. Twenty men on  
a flat car were hurled in all directions.  
Three were killed outright and the four-  
teen others badly injured."

**Perished in the Flames.**  
LEWISTON, Mich., May 12.—Some  
people who lived in Walkerville before  
the fire struck that town have arrived  
here in a deplorable state. They say it  
is impossible to tell how many inhabi-  
tants escaped alive, but they fear many  
died in the woods where they fled for  
safety. The village had 800 inhabitants,  
and no one knows where more than half  
of this number is at present. Rumors  
of large loss of life at other points are  
also coming in.

**Attempt to Kill the Russian Prince.**  
BERLIN, May 12.—A dispatch from  
Tokio, the capital of Japan, announces  
that an attempt was made upon the  
life of the Czarwitsch, but the latter, al-  
though seriously wounded, is in no dan-  
ger of dying. The Czarwitsch was sud-  
denly attacked by a Japanese, armed  
with a sharp sword. Before he could be  
overpowered he inflicted several severe  
cuts on the Russian Prince, who de-  
fended himself vigorously. No cause is  
known for the attack.

**Fires Continue in Pennsylvania.**  
HUNTINGTON, Pa., May 12.—Over 4000  
acres of valuable timber land are aflame,  
covering a radius of several miles in this  
place. The mountain fires are beyond  
human control and can only be ex-  
tinguished by rainfall. Farmers sus-  
tained irreparable losses to fencing and  
hundreds of acres of growing grain.  
Many farm buildings are threatened.

**A Bloody Riot.**  
WHEELING, W. Va., May 12.—There  
was a terrible riot between Italian and  
American laborers in the employ of  
Graham & Co., Belmont county, today,  
which resulted in one man being killed,  
two fatally wounded and ten more se-  
riously wounded. No communication  
and details cannot be had tonight.

**Several Men Killed.**  
FORT JENNINGS, Ia., May 11.—While  
men were unloading a threshing ma-  
chine today, a passenger train came  
around the curve and struck a project-  
ing timber, which buried several under  
the train. Henry Miller, Louis Lence  
and Henry Slothman were killed and  
several others injured.

**Acting Customs Collector.**  
WASHINGTON, May 12.—Secretary Foster  
having been informed of the death  
at Wilmington, California, of P. H.  
Downing, Collector of the Port, has au-  
thorized William C. Downing the Col-  
lector's son, to act in his place.

**Boiler Manufacturers' Association.**  
ST. LOUIS, May 12.—The annual con-  
vention of the American Boiler Manu-  
facturers' Association of the United  
States and Canada, met in this city this  
morning and 200 delegates were present.

**Spartan Pianist Assigns.**  
BOSTON, May 12.—Epinionondas Wil-  
son, manufacturer of pianos under the  
name of the Boston Piano Company,  
and also manufacturer of piano hard-  
ware, assigned today, with liabilities  
amounting to about \$70,000.

**Funeral of Mrs. W. H. Smith.**  
NEW YORK, May 12.—It has been de-  
cided to inter the body of Mrs. William  
H. Smith at Lake Forest, Ill., where she  
resided for many years. The funeral  
services will be held Thursday.

**Wide Fluctuations.**  
PARIS, May 12.—There was great ex-  
citement on the Bourse today and wide  
fluctuations in international securities  
continued.

entire payments for army pensions dur-  
ing the present fiscal year will not ex-  
ceed \$110,000,000. The total appropriation  
was \$125,750,000, and it now seems  
probable that there will be left of this  
appropriation at the end of the fiscal  
year \$9,700,000.

**Reducing the Debt.**  
WASHINGTON, April 12.—The Census  
Bureau has issued a bulletin upon the  
public debts of 1890. The debt of the  
United States shows a decrease of  
\$1,007,455,000, or more than one-half the  
amount of the debt in 1880. The de-  
crease in the debt of the States and  
Territories for ten years and down to  
1890 was \$67,219,000. In the same time  
the debt of counties increased \$17,846,-  
000. An aggregate surplus of receipts  
for another decade like the one just  
passed would relieve the country from  
nearly all its National, State and county  
indebtedness, could the same be dis-  
tributed for such a purpose.

**World's Fair Matters.**  
CHICAGO, May 12.—Hon. Thomas L.  
Waller, first vice-president of the Na-  
tional World's Fair Commission, was  
today declared chief of the Department  
of Foreign Affairs, the headquarters to  
be in London with branch bureaus in  
other European capitals. Thomas A.  
Edison is in the city. In speaking  
about the World's Fair, he said he had  
a novelty in view. It is his intention to  
have a combination of photography  
electricity, so that a man can sit in his  
own parlor and hear the voices of per-  
formers on various stages in the city and  
see the players on the stage.

**Going to the Seal Islands.**  
WASHINGTON, May 12.—Secretary Foster  
has completed the selection of the  
Government agents to represent the  
United States at the seal islands this  
season, and they will sail on the Rush  
from San Francisco as soon as they can  
reach that port. The party will consist  
of Major W. H. Williams, J. Stanley  
Brown, Special Treasury Agent, Milton  
Barnes and S. R. Nettleton and wife,  
who will assist Major Williams on the  
Island of St. Paul. Mrs. Nettleton will  
teach school.

**A Peculiar Accident.**  
SHEPHERD, Mich., May 12.—On the  
Toledo, Ann Arbor & North Michigan  
road last night a peculiar and fatal ac-  
cident occurred. A south-bound freight  
train ran into a low train standing on  
the main track and was completely  
wrecked. A moment later a north-bound  
freight came around a curve and  
dashed into the wreck. Twenty men on  
a flat car were hurled in all directions.  
Three were killed outright and the four-  
teen others badly injured.

**Can't Get a Jury.**  
REDWOOD, Cal., May 12.—The fourth  
trial of Llewellyn A. Powell for the  
killing of Ralph Smith, editor of the  
Times, over two years ago, begun here  
today. Judge Lorian, of San Jose, pre-  
sided. Powell had two previous trials  
in this county, which resulted in a dis-  
agreement. The case was transferred  
to San Francisco and a verdict of man-  
slaughter secured. The Supreme Court  
decided that the transfer was illegal.  
Today out of a venire of seventy-five  
persons all but seventeen were dis-  
charged for cause. It is probable that  
only two or three jurors will be secured  
for this panel.

**Odd Fellows Lodge.**  
SAN FRANCISCO, May 12.—The Grand  
Lodge of California Odd Fellows met  
this morning, and the Grand Lodge de-  
cided to confer on a large number of  
candidates. After recess the grand offi-  
cers presented their annual reports.  
The secretary's report showed that there  
are 342 lodges in the State, an increase  
of nine during the year. Total number  
of members December 31, 1890, 28,307;  
amount expended for relief, \$470,898.

**Will of Ex-Governor Waterman.**  
SAN DIEGO, May 12.—The will of the  
late ex-Governor Waterman was filed  
here for probate today. The will is  
dated October 10, 1883, and bequeaths  
the whole estate to his wife, who is ap-  
pointed executrix without bonds. The  
will states he omitted to provide for his  
children, as he had full confidence in  
the judgment and business ability of his  
wife.

**Examination Set for Tuesday.**  
LOS ANGELES, Cal., May 12.—United  
States Solicitor Taft has been closeted  
with Attorney Cole and Marshal Gard  
today. Burt expects his bondsmen to  
arrive tomorrow. The sailors are in  
jail and as yet no one has given bonds  
for them. The examination of all par-  
ties in the Robert and Minnie case has  
been set for Tuesday morning.

**Charged with Petty Larceny.**  
LOS ANGELES, May 12.—The police  
today captured eleven boys from 8 to 14  
years of age and locked them up on  
charges of petty larceny. From confes-  
sions of the boys it appears they were a  
regularly organized band with thirty or  
forty members, for the purpose of steal-  
ing small articles, which they sold to  
second hand dealers.

**The Case Dismissed.**  
NEVADA, May 12.—Information  
charging Sheriff George W. Dunster  
with being disqualified by intoxication  
for the discharge of his official duties,  
was today dismissed in the Superior  
Court on the ground that the Justice of  
the Peace who brought Dunster over for  
trial had no jurisdiction.

**The First Shipment.**  
VACAVILLE, Cal., May 12.—Vacaville  
this year scored the honor of the first  
full car load of green fruit shipment to  
Eastern Points. F. P. Fay, agent here  
of the Earle Fruit Company, shipped  
this morning a full car load of cherries  
to Chicago. This is a week earlier than  
last year's shipment.

**\$1,000,000 Worth of Optium.**  
SAN FRANCISCO, May 12.—The steamer  
Australia, which arrived today from  
Honolulu, brings advices that the yacht  
Halevyon, loaded with \$1,000,000 worth  
of optium, is on her way to this coast and  
is almost due here.

**Shipping Notes.**  
VICTORIA, B. C., May 12.—The United  
States gunboat Pinta arrived from  
Halevyon, loaded with \$1,000,000 worth  
of optium, is on her way to this coast and  
is almost due here.

**Small Boys Charged With Petty**  
Larceny—A Cargo of Optium

**SACRAMENTO, Cal., May 12.**—A con-  
troversy has arisen between the State  
Board of Examiners, consisting of the  
Governor, Secretary of State and At-  
torney General, and the Supreme Court  
and its officers. The examiners have  
questioned bills sent in by the Supreme  
Court for a late trip to Los Angeles.  
Chief Justice Beatty's and Justice Pat-  
erson's bills were cut down fifty cents  
each, Justice Harrison \$4, Justice Sharp-  
stein \$2, and those of the court attach-  
es from fifty cents to two dollars each.  
Secretary of State Waite, by whose au-  
thority the reductions were made, stated  
to a reporter that the Board of Exami-  
ners was responsible. There are 240  
State officers, and some check had to be  
placed upon them in the matter of ex-  
penses, or the Board of Examiners  
might as well be abolished.

**Appealing to the People.**  
VISALIA, May 12.—The Kaweah col-  
ony settlers of this county, who, under  
a recent ruling of Secretary Noble, are  
threatened with eviction by United  
States troops from lands upon which  
they filed and settled about five years  
ago, are arranging to have speakers  
make a tour over the United States for  
the purpose of presenting their case to  
the people. The campaign is to be in-  
augurated upon quite an extensive scale.  
The field of operation is to be mostly in  
Northern and Western States. Five  
speakers are to be sent out, each  
equipped with stereotypes presenting  
views of the colony and photographs of  
people, who were recently convicted of  
cutting trees upon government land.  
The colonists claim they are victims of  
administrative persecution.
